### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee. Authorization for this examiner's amendment was given in a telephone interview with Thomas Sossong on July 21, 2004. Mr. Sossong is a registered agent associated with Customer No. 028977, to which applicants have appointed power of attorney pursuant to a declaration filed, 02/25/2002.

It was agreed that claims 45 and 46 fail the written description requirement, thus the claims remain rejected pursuant to the Detailed Action filed, 02/11/2004. In addition, it was noted that cancelled claims inappropriately contain claim language, but that this formality did not preclude examination of the pending claims on the merits. Mr. Sossong indicated approval for canceling claim 45 and claim 46.

The application has been amended as follows:

Claims 45 and 46 have been cancelled.
